

MONTESSORI ACADEMY

Montessori Academy, guided by the philosophy of Dr. Maria Montessori, immerses students in a diverse community that values creativity and nurtures each student's social, emotional and academic growth.

Montessori Academy offers a program of education, culture and diversity to our students ages 12 months through grade 12. Instilled in our students is a lifelong commitment to rigorous and creative learning and a quest for understanding and mastery of core academic subjects.

SUPPORT MONTESSORI

Montessori Academy has two sources of revenue: tuition and philanthropic support. Our Annual Silent Auction and Dinner is our largest fundraising event of the year. The proceeds support our significant financial assistance program, continuing professional education for faculty and staff and improvements to our facility and campus.

The school relies on gifts of all sizes from our community to help broaden the educational experience of our students. We hope you will join us by supporting our fundraising efforts and create your own meaningful philanthropic relationship with Montessori Academy of Chambersburg.
