

SILENT AUCTION COMMITTEE SIGN UP FORM

20th Annual Montessori Academy Silent Auction and Dinner
November 10, 2018 6pm at Waynesboro Country Club

For the past 20 years Montessori Academy of Chambersburg has been offering children an education that honors individualism and independence. Our school is deeply committed to maintaining a financial aid program in order for all families to have the opportunity to experience a Montessori education.

We strive to keep our tuition at the lowest possible level and therefore tuition is less than the cost to educate each child at our school. We are grateful to our many generous donors for their financial support in helping us uphold our mission of offering affordable tuition and a quality education for all our current and future students.

Please consider joining our auction committee. There are many ways to volunteer. Please look at the list below and mark any areas where you would like to help. Submit this form at the office or email it to advancement@montacad.org.
